## RWW - Cup – Kampf um den Goldenen Ball (eldest underwater-rugby-tournament worldwide!)

### Kampf um den Diamantenen Ball (Ladies Cup) Samstag, 06. November 2010 Hallenbad Süd Mülheim a.d. Ruhr

#### International Tournament

“Kampf um den Diamantenen Ball“

Saturday, Nov. 6th 2010 in Mülheim/Ruhr (Ger)

#### Hello all,

this is an invitation to our women's cup as an additional tournament in order to complement the eldest international tournament of Underwater-Rugby “RWW-Cup - Kampf um den goldenen Ball” at all. This year we want to arise and become international for the women' cup as well.

The message of the games is: “qualified and hard games and lot of fun”

How can we achieve it?

#### Qualified and hard games:

- We want to get strong teams from Germany and other countries!
- Starting fee only 20,-- € including dinner evening & presentation ceremony

#### Lot of fun:

- Festival evening.  
After the games we are coming together in a very nice atmosphere to celebrate the winner, discuss the games and players (or referees) or just to chill and dance. At a great and appropriate location we are going to provide good food in a very pleasant atmosphere. Please consider a suitable dress code. No sports wear! Last year the party was one of the big highlights of the whole event.
